And I bet she could make
you afraid as well. We had
the set specially designed
for this little cutie — she
devours Assistant Editors
for lunch and we couldn't
afford to lose ours. A case
of 'you can look but you'd
better not touch'.
For your own sake.

Oh for a life on the ocean waves with Candice! Not that it would be such a smooth cruise — think of the rise and swell! But everything, apart from the crew, is under control with Captain Candy at the wheel. (By the way, just what is that rope for?)

So who's the volunteer to be this ship's mate? You certainly wouldn't need a King's Shilling with me. Get the Travel-Eezies and I'll be on my way. All hands on deck!

AMATEUR MODEL

A lot of girls do it — how about you? If you want to become one of our Amateur Models, fill in the form at the end of this feature and send us some rude photos of yourself. Polaroids will do, at least two completely nude — front and back view.

CATHY KEEN

Yet another Knave beauty and this time an inhabitant of a fabled city not too many miles south of the Arctic circle. If you're ever in Newcastle and spot a mobile candy-floss stall, give it a miss. It won't be Cathy dishing out the fluffy stuff. You won't catch her eating it either, she'd sooner be consuming the local brown ale — and why not?

If you fancy a good hair-cut, Cathy's your girl. There aren't that many bilingual hairdressers in Newcastle, except for Cathy, of course — she's fluent in both English and Geordie. She's got a nice smile too, ask any of her well-groomed customers.

FRANCINE

This is not a real doctor's surgery. It's the Galaxy executive washroom, with a few extra ornaments thrown in. What Francine is doing in there, I don't know. Come to that, I don't really care. She's there, she's alluring, she's humpable . . . I feel this sudden urge to play doctors and nurses

lesley

Lesley very nearly became Zuleika the day we did this shoot. Our Arab distributor, Sheik Aleg, happened to be in the building and as soon as he set eyes on her, he wanted to leave with more than an order form. "Zuleika," he cried, "My fair one, come and join my harem in the warm, sunny climes of Arabia. You will have jewels, you will have new silk clothes every day, you will have delicious food and fine non-alcoholic wines."

What with three inches of snow outside in Witham and her cheese sandwiches wilting round the edges, we did have a teensy bit of a problem persuading Lesley to stay. "What about our readers?" we pleaded. "They need your sparkling eyes and fair skin far more than sleazy old Sheiky. Think of the good you can do here for the average man." And so, eventually, her better judgement won. She's in Arabia. But she did the shoot first . . .

Rachel

Raunchy Rachel is a very sexy young lady you should remember well from last year. She was your choice as our Amateur Model Competition prize winner and was without doubt our most popular model of 1985. Her modelling debut as one of our amateurs was the first step for Rachel in a career that has seen her appear in various magazines and as a Daily Star 'Starbird'. This particular session was the result of an all-expenses-paid trip to Sweden earlier this year. So, next time we say that our Amateur Model feature can make a girl a star — believe it!
